**dif-fer-ent** /'dif(ə)rənt/: not the same as another or each other; unlike in nature, form, or quality; distinct. That's our theme for this year as we help students see who God has called us to be as followers of Jesus: **DIFFERENT**. We want to help our students discover how this affects their lives: from faith, friendships, and morals, to choices, sharing the gospel, and serving. Our student ministry shares our church's focus: **to sacrificially make disciples through intentional relationships.**
